JUNE 2011 NEWSLETTER

June's Guest Speaker will feature ALISON STONEMAN
Orillia Terry Fox Run Organizer/Cancer survivor

Stoneman will share her passion about Terry Fox, the Terry Fox Foundation and the Orillia Terry Fox Run.

Stoneman says she found her hero in 1980. She was a young teenager when Terry Fox dipped his prosthetic leg into the Atlantic Ocean at St. John's, Newfoundland. After a diagnosis of tongue cancer and recovery from extensive surgery, Stoneman wanted to be closer to family and chose to make her home in Orillia in 1997.

Stoneman has been cancer-free for almost 15 years, and believes she owes her survival to cancer research.

Stoneman also volunteers for a number of organizations and is a voracious reader. She enjoys camping and spending time with her husband Jim, and their dog Terry.
